

DOUBLES / MIXED DOUBLES SEEDING at ITTF EVENTS

For ITTF Doubles and Mixed Doubles events, seeding of entries shall be done by combining each player's Doubles/Mixed Doubles Individual ITTF Table Tennis World Ranking position to form a *Combined Rank*. Unranked players shall receive the ranking of the lowest ranked player plus 1. Pairs shall be sorted ascending by their Combined Rank.

Tie-break procedures to determine seeding order shall be as follow:

1. The pair with the greatest number of points in the Doubles Pairs ITTF Table Tennis World Ranking.
2. The pair with the best *Combined Rank* considering the previous ranking week.
3. The pair with the most combined number of events over the previous 52-week period.
4. The pair with the most combined number of points in the Men's/Women's Singles ITTF Table Tennis World Ranking.
5. Randomly sorted by the seeding software.
